Bill & Sandie Ferguson, Nov. 4th

GREETER FOR NEXT MEETING- *Sherry Hoffmann, November 5th*

PROGRAM FROM LAST MEETING-

ERIC WELLS

Eric told us of the latest course that is making a big splash in the school systems. South Carolina Virtual Enterprises, Inc. gives high school age students the chance to see what the corporate world is really like. The students run a virtual company from start and track the process throughout the year. This teaches them how to work with a budget, stock market and the everyday work ethics.

WE WELCOMED THE FOLLOWING GUEST(S) FROM LAST MEETING-

No Guests Last Meeting

“Ordinary riches can be stolen, real riches cannot. In your soul are infinitely precious things that cannot be taken from you.”

~Oscar Wilde

CIVITAN EVENTS-

UAB Civitan International Research Center

The UAB Civitan International Research Center is the culmination of over 50 years of Civitans helping people challenged by developmental disabilities. The Civitan International Foundation awarded a grant of up to one million dollars a year for 20 years to The University of Alabama at Birmingham for the creation of the UAB Civitan International Research Center, the first institution of its kind in the United States to be solely dedicated to research of developmental disabilities. This generous act by Civitans all over the world put in place tremendous human, financial, and technical resources to focus on developmental disabilities.

John Rickert delivered the can tabs we have been saving to the Ronald McDonald House. Keep saving those tabs!

Volunteers needed to help with a party for all the helpers at the Miracle League. Party will be on Tuesday, October 28th at about 6:30 at the Miracle Field.
